

WRITING:

Research, Argumentation, and Technical Documentation

Students document their **ukulele-building process**, explaining **design choices, challenges, and outcomes** in structured reports. This improves **clarity, organization, and technical writing**, all necessary for **ACT Writing** proficiency.

ACT Writing Rating Scale – Argument & Exposition

- **(18-24):** Basic organization and idea development
- **(25-28):** Proficient evidence-based writing
- **(29-36):** Advanced critical thinking and argument structure
